- Show and Talk competition

Celebration of the month:

- Children's day

Creative activity of the month:

- Wind chime with moon and stars

**Rhymes**

Each little finger that opens,  
Each little bird that sings.  
God made their glowing colours.  
He made their tiny wings.  
Yes, all things bright and beautiful  
All creatures grand and small.  
And all things wise and wonderful.  
The lord god made them all.  
The cold wind in the winter.  
The pleasant summer sun.  
The ripe fruit in the garden.  
He made them everyone.  
He gave us eyes to see them

And lips that we must say,  
The goodness of the father,  
Who doeth all things well.

Ten little fingers  
Ten little toes  
Two little eyes and  
One little nose.  
Two little cheeks,  
One little chin and  
One little mouth where the food goes in

Choo-Choo train ,Choo -Choo train  
Puffing down the the track.  
Now we are going forward  
Now we're going backward  
Now the bell is ringing.  
Now the whistle blows.  
We can make a lot of noise  
Everywhere we go.

Let's hop, hop, hop like a bunny.  
Let's run, run, run like a dog.  
Let's walk, walk, walk like an elephant  
And jump, jump, jump like a frog.  
Let's swim, swim, swim like a fish  
And fly, fly, fly like a bird.  
Now let's stop and sit right down,  
And not say a single word.
